In view of the demand, the bill of Rs. 330.45 was drawn on 20.10.78 but the said payment was not made to the Principal of that school and instead the amount was refunded to the Govt. vide challan No: 83 dt: 3.12.78. The reasons under which the payment was not made to that sh. requires elucidation. This may also be confirmed that the total amount of the bill as Rs. 372.81 ( amount of 132 days Rs. 372.81 less Rs. 42.36, share of 15 days of that school ) was actually paid by that school and ensure that no second payment would be made by BIC Mori Ghat.

b) Overpayment of Rs. 207.50 to M/B.  
New Light Hosiery Mfgs. Works Hazirpur.

Vide sub.vr. no: 480, M/S. New Light Hosiery Mfgs. works Hazirpur was paid a sum of Rs. 477.50 for the reimbursement of Basic Training stipend for the period Aug.78 to Jan.79 ( six months ) their employer an apprentice named Sh. Lokesh Kumar, cont. No: page. No: 12-2/78-A/963 which was not correct. As the said amount was paid as shop-floor stipend share to the co. instead of the basic Trg. course stipend i.e. @ stipend total paid paid + 40 x month

maximum Rs. 45/- p.m.

Hence a sum of Rs. 270/- only was admissible to Sh. Lokesh Kumar instead of Rs. 477.50 resulting in overpayment of Rs. 207.50 which has been made to M/S. New Light Hosiery Mfgs. works. The same may be recovered under intimation to audit.

c) OVER PAYMENT OF RS. 200/- TO M/B. FASHION CENTRE EAST OF KAILASH NEW DELHI

Similarly vide S.Vr. No: 103 a sum of Rs. 200/- was paid in excess to M/B. Fashion Centre East of Kailash for the period 3/78 to 7/78 ( 5 months ) in r/r. Basic Training Apprentices Miss. A. Lata cont. reg. No: DA/AP/E-78/4818 she was paid @ Rs.85/- p.m. as rate of Training of shop-floor instead of Rs. 45/- p.m. the rate of basic trg. course stipend. Hence a sum of Rs. 200/- as overpayment may be recovered under intimation to audit.

d) In some cases the full amount of stipend paid to apprentices by their employer has not recorded in the prescribed column of the bill against the name of apprentices in the absence of said required information it could not be examined as the amount paid as Govt. share to the apprentices was @ Rs.40 % of total stipend paid subject to the condition of maximum of Rs. 45/- or in excess of the prescribed limit. Thus all cases of said type for the year 1978-79 may please be recovered by the institution under intimation to audit. A few instances are given below:-

| S.Vr.No: | Amount     | Name of the firm       |

| 311      | Rs. 650/-  | M/B. Taj Mahal Exports |

e) In all cases the category of stipend (Basic Trg. course/shop-floor course) had not been mentioned again the name of individual. In the absence of which it could not be examined that the stipend paid to the apprentices was according to category or not. Thus the category of stipend may be noted in prescribed col. of the bill and the payment made to the apprentice according to the category wise may be examined and overpayment made, if any be recovered under intimation to audit. A test check of contingent vouchers revealed the following irregularities:-

Para A

It was noticed that loc'l purchase of stationery was made so more than Rs. 40/- (Single day) in following cases i.e. exceeding the powers delegated to the Head of office. D) Further, it was noticed that some articles were purchased during the year 1979-1980 which are still laying unused or they have been used in very small quantity. vi) On scrutiny of contingent bills for the month of March '98, it revealed that unit had made number of purchases by splitting it into the amounts less than Rs. 500/- to avoid the sanctioning II procedure from the M.C.D. & to save if quotation work, which is irregular. It is therefore suggested that all the purchases be regularised from the competent authority under intimation to audit. All other similar cases be reviewed and action as suggested above be taken. Irregularities in Condemnation

ISF No. 120 36

a. Scrutiny of the file dealing with the Condemnation of various store items revealed that the P.T.C. had Condemned and auctioned several items vide Condemnation Order issued by the SR-Accounts Officer conveying the sanction of H.O.D. of Dte. of Tech. Education. On this Condemnation

It is pointed out that in the Survey Report enclosed with the Sanction letter, the life of items condemned have not been mentioned. In the absence of life of the items it could not be ascertained whether the Condemnation has been done after they have lived their useful life fixed by the Govt.

It has also been noticed that although action has been taken in the presence of members of auction Committee, but the reserve price fixed by the Condemnation Board for each item has also not been reflected in the list. In the absence of reserve price, it could also not be ascertained in the audit whether a particular item has been sold off for auction <sup>within</sup> reserve price or less than the reserve price.

The above lapses also confirm the rule provisions provided in the C.R. Reasons for not indicating such vital information on the record be stated to audit and the life-

span as well as reserve price of each item Condemned during the last five years be intimated to the audit.

Inspite of refusal of Bidder(S) to take up the purchase order even after extension of time (on the request of all of three bidders) the E.M.D. was released to bidders. Whereas , EMD should be forfeited as per terms& condition of N.I.T. which is a serious lapse on the part of institute and needs clarification /Justification.

Due to absence of documentary evidence, it could not ascertained whether such amount was deposited in Govt. Account? Non compliance of instruction leads to evasion of tax, resulting which a direct revenue loss to Govt. justifications for a serious Lapse may be explained to Audit.

- 2 Excess payment of D Vat – During the test check the following excess payment pertains to D Vat has been noticed.

| S.No. | Bill No.& Date  | Approved rate inclusive of Taxes | Payment released alongwith Taxes | Difference |
|-------|-----------------|----------------------------------|----------------------------------|------------|
| 1.    | 384<br>31.03.10 | 3,17012/-                        | 350494/-                         | 33482/-    |

|       |                 |                                  | Total                            | Rs.49580/- |

Principal is requested to confirm from the Agency whether the difference amount as shown in the table were deposited in value added tax, if not , to recover the amount from the agency after due verification and deposited to Govt. Account under intimation to the Audit.

Apart from the above during test check, it reveals that D-Vat is paid/released at excess rate, however contradicts the supply order

| S.No. | Bill No.& Date | Approved rate as per supply order | D-Vat. Paid alongwith Bills |

## TEST AUDIT NOTE (2018-19 & 2019-20)

TAN-1(A): Improper maintenance of Pay Bill Registers.  
(Audit Memo No. 04)

Dated: - 01/07/2020

During the test check of pay bill registers of the audit period the following shortcomings have been noticed: -

1. Numerous cuttings/Over writings were noticed in the PBR which were not attested by the Competent Authority in the PBRs maintained by the School.
2. White fluid used which is not permissible.
3. Upper column i.e. previous PBR No., Govt. Accommodation, Service verified etc. have not been filled in PBR.
4. PBR entries have not been signed by the writer.
5. Totaling of all column of salary, allowances and deductions for income tax purposes have not been carried out in the PBR during the audit period. Hence the amount of gross salary, other allowances and deductions shown in the calculation sheet of income tax can be checked by the audit.

DDO may update the PBRs at the earliest possible and shown to next audit.

TAN-1(B): - **Non-Maintenance of Separate P.B.R. In respect of officials joining on or after 01/01/2004 (Under New Pension Scheme)**  
 (Audit Memo No .05) Dated: - 01/07/2020)

In terms of Para 10 (m) of the Government of India, Ministry of Finance O.M. No. F. No. 1 (7)(2)/2003/TA/67-74 dated 04/02/2004 of New Pension Scheme, the DDOs/ will prepare a separate pay bill register in r/o Govt. Servants joining Govt. Service on or after 01/01/2004.

Further in terms of Para 10(s) of the memorandum referred to above, the employees contribution under tier I and tier II and the government's contribution should be posted in the different column of the individual ledger (to be maintained in format in annexure V) and broadsheet tallies with accounts figures as being done in the case of GPF.

However, it has been noticed that the following officials have joined service on or after 01/01/2004 and their pay is being drawn in the General P.B.R.: -

| Sr. No. | Name & Designation<br>Ms/Mrs/Sh. | Date of Apptt. |
|---------|----------------------------------|----------------|
| 1.      | Manoj, C.I.                      | 06/12/2004     |
| 2.      | Tanuja, C.I.                     | 28/04/2005     |
| 3.      | Pawan, C.I.                      | 23/01/2006     |
| 4.      | Sandeep, Junior Asstt.           | 07/09/2016     |
| 5.      | Deepak, Sr. Asstt.               | November, 2018 |

It is therefore suggested that separate pay bill register and individual ledger may be maintained with immediate effect in r/o officials joining on or after 01/01/2004.

**TAN-3(A): - Irregularity in allowing rebate in Income Tax on the basis of HRA receipts.**  
**(Audit Memo No.08)**

Dated: 03.07.2020)

According to Income Tax Act only the expenditure actually incurred on payment of rent in respect of residential accommodation occupied to the limits laid down in rule 2 A qualifies for exemption for income tax. The disbursing authority should satisfy him/her in this regard by insisting on production of actual payment of rent before excluding the HRA or any portion thereof from the total income of the employee.

The disbursing authority should satisfy him/her in this regard by insisting on production of proof of actual payment of rent, copy of rent agreement, PAN and ownership proof of the property owner before excluding the HRA or any portion thereof from the total income of the employee.

On scrutiny/test check of income tax records during the audit period, it has been noticed that the DDO has allowed a deduction of HRA to the following employees on only on the basis of rent receipt in which the mode of payment is not specified i.e. whether the payment is made by cash or cheque etc. No other documents such as proof of actual payment of rent, copy of rent agreement and ownership proof of the property owner have been produced/obtained by the DDO before allowing deduction of HRA to employees which is necessary to authenticate creates doubts about the genuineness of the payment of rent. It is also noticed that some employees have made the payment to their spouse or close relatives. The details of some cases are as under: -

| S No | Name & Designation of employee | Financial Year | Missing Documents   |
|------|--------------------------------|----------------|---|
| 1.   | Rajender Bansal, C.I.          | 2018-19        | Proof of actual Payment of rent, copy of rent agreement and ownership proof of the property owner |
| 2.   | Deepak Kumar, UDC              | 2018-19        | PAN & ownership proof of the property owner   |

The DDO may therefore review all the required documents to ensure compliance of income tax Act requirement. In case the payment of rent is not verified, necessary recovery of income tax may be made as per income tax rules.

Similar cases may also be checked by the HOS/DDO at his own level and recovery, if any, may be made accordingly.

**TAN-3(B): - Irregularities in computation of Income Tax recoverable on account of Home Loan**  
**(Audit Memo No .09)**

Dated: - 03.07.2020)

According to the Income Tax Act, an employee can claim deduction of maximum Rs.1,50,000/- towards repayment of Principal under Section 80 C and Rs.2,00,000/- towards payment/accrual of interest under Section 24 but the tax benefit of home loan under these Section for repayment of Principal part of the home loan and interest thereon is allowed after the construction is complete and possession having been taken over. No deduction would be allowed under these sections for repayment of principal/interest for the years during which the property was under construction or possession of it was not handed over.

During test check of income tax calculation sheets for the F.Y. 2018-19, it has been found that the rebate under Sec 24 and under section 80 C on account of payment of Principal and interest thereon has been allowed to the following employees on the basis of only provisional certificate issued by respective lender bank/institution during this period.

Till date, no final certificate/proof with regard to the actual interest and Principal amount charged by the lender bank has been submitted by these employees after closing of the financial year in order to cross check the correctness of actual rebate allowed. Further, no proof or record of ownership has been attached either by the employees or a certificate from their spouse furnished in case of property ownership/home loan is in joint name for claiming the rebate on home loan. In addition, no possession letter/completion certificate (where home loan has been availed for construction) has been attached for claiming deduction under Sec 24 and u/s 80 C. Some examples are as under:-

| S No | Name and Designation of employee | Financial Year | Remarks  |
|------|----------------------------------|----------------|--|
| 1    | Jagdish Singh,<br>UDC            | 2018-19        | 100% rebate of interest and Principal amount allowed while loan availed in joint name. Ownership proof of property and Possession certificate/completion certificate not attached. |
| 2.   | Jagjeet Singh, C.I.              | 2018-19        | 100% rebate of interest and Principal amount allowed while loan availed in joint name. Ownership proof of property and Possession certificate/completion certificate not attached. |
| 3.   | Poonam Pahwa,<br>C.I.            | 2018-19        | 100% rebate of interest and Principal amount allowed while loan availed in joint name. Ownership proof of property and Possession certificate/completion certificate not attached. |

2

The HOO/DDO may obtain necessary documents to check the correctness of computation of income tax of the above-named employee based on the actual payment certificate/the possession letter/completion certificate/undertaking.

Similar other cases may also be checked for the audit period from 2018-19 & 2019-20 and submit compliance to the audit.

TAN-4:

Shortcomings in maintenance of Library records  
(Audit Memo No.10)

Dated: 06.07.2020)

①

**RULE 215 GFR Stipulates** that “(i) Complete physical verification of books should be done every year in case of libraries having not more than twenty thousand volumes. For libraries having more than twenty thousand volumes and up to fifty thousand volumes, such verification should be done at least once in three years. Sample physical verification at intervals of not more than three years should be done in case of libraries having more than fifty thousand volumes. In case such verification reveals unusual or unreasonable shortages, complete verification shall be done.

- (i) Loss of five volumes per one thousand volumes of books issued/consulted in a year may be taken as reasonable provided such losses are not attributable to dishonesty or negligence. However, loss of a book of a value exceeding Rs. 1,000/- (Rupees One thousand only) and rare books irrespective of value shall invariably be investigated and appropriate action taken.”

On the scrutiny of the Library accession register and Issue Register for the audit period, the following shortcomings have come to the notice:-

1. Physical verification of library Books has not been done. Hence, without physical verification, the audit is not in a position to ascertain the exact position of the library stock.
2. 02 Accession Registers are being maintained with different accession numbers. Hence, the audit is not in a position to ascertain the exact number of library books.
3. Condemned/Weed out books were not entered/deleted in the Accession Register
4. No book has been purchased since 2014 which shows gross negligence
5. Some columns like author, source etc in the Library Accession Register were not filled.
6. Very few books have been issued to teachers also.
7. There were lot of cuttings in the Accession numbers in the Accession Register and the same were not attested.
8. Signature of the Librarian and HOS were missing on each page or after making entry every year.

During the scrutiny of records, it has been found that hundreds of books are missing/not traceable during the audit period, a list of which is attached. HOO may look into the matter and get the matter investigated as per provisions of GFR.

The HOO may look into it and ensure that proper procedure as laid down is followed for the maintenance of library books, their issue and return from students and staff. A compliance of the same may be shown to next audit after due verification of facts and figures.
